

# Rossdales Advanced Dental Extraction Course

Wednesday 22nd - Friday 24th November 2023  
Rossdales Equine Hospital, Newmarket, UK

This 3-day course is intended for veterinary surgeons working to an advanced and specialist level in the field of equine dentistry (equine dental residents, equine surgery residents, advanced practitioners in dentistry and equine surgery specialists). Delegates should have experience in routine oral extractions and a good working knowledge of dental anatomy and radiography.

The minimally invasive transbuccal extraction (MTE) and minimally invasive pin repulsion (MITR) will be covered in detail through lectures and wet-lab practical sessions. Demonstration of techniques for segmentation of teeth and case discussions will also be features of the course.

## Programme

The full course programme can be viewed at [www.rossdales.com/cpd-events](http://www.rossdales.com/cpd-events)

## Course fees and booking

£1,950 (including VAT)

Book your place by contacting

[cpd@rossdales.com](mailto:cpd@rossdales.com)

or contact Emily Heslop on +44 (0)1638 577754

Please note that this course is limited to a small number of delegates, so please book early to avoid disappointment. A waiting list will be in operation.
